PRIVACY IN THE HEART OF THE CITY

Celeste stands apart, not in height, but in intention. A refined mid-rise with only 44 residences, designed for those who value privacy over prominence.

Its architecture is modern and straightforward, offering open views and a sense of calm, right in the middle of Dubai.

BUILT AROUND BALANCE

Celeste is designed for the way you want to live,
not more, just better.

A refined mix of indoor and outdoor spaces allows for
movement, wellness, and rest in equal measure.
