LIVING WITH LIGHT

DESIGNED WITH LIGHT

Crafted with light and space at its core, every inch of Taiyo Residences is designed to welcome natural illumination, streaming through expansive windows and open layouts.

This thoughtful design enhances the sense of space, blurring the lines between indoors and outdoors.

ARCHITECTURAL ELEGANCE

Ascending with quiet confidence, Taiyo Residences' façade is an impressive display of meticulously crafted elegance.

Its subtle interplay of glass, steel, and earth tones hints at the bespoke world within, earning it the distinction of being a precursor to a curated lifestyle.

Floor-to-ceiling windows reflect the changing hues of the sky, while the spacious balconies in the distance extend an invitation to step out and soak in breathtaking panoramic views.

ABOUT THE DEVELOPER

Since its inception in 2007, LMD has been dedicated to crafting transformative experiences through thriving communities and integrated destinations that prioritize people and innovation.

With projects spanning first and second homes, as well as iconic mixed-use developments, LMD has established a strong presence in Dubai, Spain, and Greece.

LMD's global expansion has resulted in a portfolio that includes notable projects like Continental Tower, Rukan, Marina Living, and Boutique XII in Dubai, 91 Muntaner in Barcelona, and upcoming developments in Greece, all while maintaining a focus on exceeding expectations and shaping the future of development.
