ARMAS

DEVELOPED & CONSTRUCTED BY ZENITH

Zenith Armas is a residential G+4 development with Studio, 1BHK & 2 BHK, located in Dubai South. The project features contemporary architecture, expansive glass balconies, and warm modern finishes that enhance natural light and space. Designed for comfortable urban living, it combines functionality, elegance, and a well-connected community setting.

Founded in 2006, Zenith rapidly rose to prominence as a premier construction, development, and property management enterprise with 15 in-house companies. Our extensive portfolio encompasses top-tier design, construction, and development, characterized by superior quality. At Zenith, we pride ourselves on offering an all-in-one property solution, leveraging our diverse in-house development services. This approach ensures streamlined project delivery, optimizing both time and cost efficiency.

OUR IN-HOUSE ACTIVITIES

We take pride in offering a range of services through our in-house team, facilities, and equipment, all under Zenith Licenses. These services include:

- **Real estate development of vacation homes**
- **Architecture and interior**
- **Full in-house construction activities**
- **Art and handcraft design services**
- **Customized Zenith decorative products**
- **Home automation & smart system by Zenith**
- **Property management & short-term lease vacation home services**
