SERIOUS ABOUT
CHILLING!

In the heart of the Mediterranean summer, Monaco Beach Club has something special to offer to everyone. Here, tasteful warmth meets the French Riviera coolness.

Unwind in stylish cabanas or on colorful sunbeds, set along white sands lining the turquoise waterfront of one of the most festive beach on the island.

GRAND AZUR DIVE INTO EPIC

Spanning an area of 12,000 sq.m., Grand Azur includes four connected blue water lagoons, shaped as rolling waves, with a white edge that emulates the Mediterranean's natural froth. Grand Azur lagoons link and weave between Côte d'Azur's premium boutique hotels.

Grand Azur is the largest and most sustainable pool in the Middle East. Here guests can come together to lounge, relax and celebrate under the French Riviera sun. When by the pool, you will be at the heart of our bustling beach club, with live music, adjustable floating decks, bar, all day a la carte menu and spa facilities at your fingertips.

Never ending nights. Le Cabaret is a theatre restaurant bar inspired by the cabarets of 19th century Monaco filled with shimmers and magic. Upon arrival you are taken to enjoy a cocktail, a serious spirit or perhaps a magic potion, then you are ushered to your seats in the cabaret lounge.

Next... lights, curtain smoke and mirrors as the 'French can-can' dancers with stunning costumes, acrobats or magicians lead you into a world of shimmers and magic and make-believe featuring swords, shiny blades, doves, cards and other surprises.
